

REMARKS

Applicants respectfully request entry of the amendments, the following remarks, and provisional election. Claims 120-199 are currently pending in this application. Applicants have withdrawn claims 144-197 and 199 without prejudice or disclaimer. Applicants reserve the right to file one or more divisional, continuation, or continuation-in-part applications directed to withdrawn or non-elected subject matter disclosed in the application as originally filed. No new matter has been added by any of the amendments to the claims.

I. Response to Restriction Requirement

In response to the Restriction Requirement, dated September 14, 2006, Applicants provisionally elect, with traverse, Group I, directed to claims 120-143 and 198.

II. Species Election

Applicants elect the following species:

- a. promoter - tissue specific promoter, which is HER-2 promoter;
- b. signal sequence - a cytokine leader sequence;
- c. test polypeptide - an epitope which induces a B cell response in a mammal;
- d. cell binding domain - a ligand which binds to a cell surface receptor, which
ligand is a cytokine receptor protein cell binding domain; and
- e. expression vector integration sequence – viral long terminal repeat sequence.

The species are readable on claims 120-135 and 198.
